"Lake Pointe a great place to call home"

SPRING FLING—MARCH 27, 2010

FROM THE PRESIDENT

"Hello" Again,

It seems only last month since the last newsletter, and Spring Fling is just around the corner.

We have made several improvements here due to the excellent work of some members. We have a new floor in the laundry, new ceramic tile floors in the Clubhouse restrooms, ceramic tile in the entry ways to the pool bath house, walls are painted in Scott Hall. By the time you receive this, Scott Hall should have 3 inch foam insulation sprayed on the inside of the roof and a 150,000 BTU heater installed.

I would like to thank all volunteers for their time and efforts, with a special thank you to Manual Jackson, Bill Paulson and Doug Elkins and Jim DeBord for the tile work. Tim Coakley and Jim DeBord for the painting and Darwin Olson for the electrical work. Also thanks to all the people who helped with hamburgers on Wednesdays and helped with special meals. We can't forget to thank Jim Gentry and Bill Irvine for running the honey wagon. We couldn't exist without the help of all these volunteers.

Looking forward to seeing you at Spring Fling and wishing you a great spring and summer.

Your President,

Jim Walker
